*Re: ET Docket Nos. 04-186, 02-380 and 10-24; WT Docket Nos. 08-166 and 08-167*

Dear Ms. Dortch:

On September 21, 2010, I was contacted via telephone by Rick Kaplan, Senior Legal Advisor to Chairman Genachowski, Louis Peraertz, Legal Advisor to Commissioner Clyburn, and Julius Knapp, Chief of the Office of Engineering and Technology. On September 22, 2010, I was contacted via telephone by John Giusti, Chief of Staff to Commissioner Copps. Each of the above-referenced officials requested that I respond to questions regarding the ex parte letter filed by Dell, Microsoft, and Spectrum Bridge on September 16, 2010. Pursuant to Sections 1.1203(a)(1) and 1.1204(a)(10)(iv) of the Commission's rules, in response to these questions, I provided clarification of the positions detailed in that ex parte, via telephone, and on: (1) the inclusion of non-Part-74 wireless microphone users into a white spaces database; (2) exclusion zones for wireless microphones; and (3) the time-intervals required for mode 1 devices' communication with mode 2 devices and for mode 2 devices' communication with the database.

This letter is being submitted electronically pursuant to Sections 1.1204(a)(10)(iv) and 1.1206(b) of the Commission's rules. Should you have any questions concerning this submission, kindly contact the undersigned.

Sincerely yours,
